## Policy on Friendlies in the Greater San Joaquin Softball Association

The following is Greater San Joaquin Softball Association's (GSJSA) definition of a friendly:

*Any type of softball game, practice or get together where a registered ASA umpire(s) is/are officiating said event is a Friendly.*

For an organization/team to host a Friendly the following rules apply:

1. GSJSA must be notified 14 days in advance of all teams participating in the friendly in writing at the above address.
2. The friendly cannot be held on any date(s) on which there is a currently sanctioned tournament being held. These tournament dates can be found on the Pacific Coast Regions' web site at: [http://region14.com/98\\_joa.htm](http://region14.com/98_joa.htm) or on the GSJSA web site at: <http://www.gsjm.com/pages/tour.html>. The GSJSA Board may, at their discretion, allow friendlies on a tournament sanction date.
3. All participating teams must be ASA registered and insured and ASA umpires must be assigned through the GSJUA Assigner.
4. A team/organization that doesn't follow the above rules may be brought before the GSJSA board and sanctions may be leveled.
5. This policy is effective on November 17, 2008 and supersedes any previous policies.
